Notes:

I put it as "taxi," but actually it's a slightly different driver service, where they come with one car and two drivers, and drive your car home (or wherever) for you.

The kanji on their glasses is the "Tai" in Taiwan.
The big sign on page 2 says basically "Taiwanese Food Stand."

Bubble tea
(milk tea with tapioca balls/pearls)

Taiwan Beer

Pea Shoots

Bean Sprouts

Star Anise

Pork Belly
The Japanese name for it
is "three layered meat."

Fried bamboo shoots

Minced Pork Rice (+egg)

Pork Rice Bowl

I know the "rice" is in a bowl and the "bowl" is on a
plate, but I had trouble finding pictures :C

Braised ham hock

Pig's feet
